We advocate regular swimming as a benefit-giving exercise. It will normalize the tissues and improve the general outlook—both mentally and morally.

The practice of swimming, coupled with a knowledge of life-saving methods, is oft times a means of saving valuable life.

Don't Forget

Starting this week, mixed bathing on Thursday, 10 a.m. to 8.15 p.m. Friday and Saturday, 10 a.m. to 9.15 p.m.
